BETWEEN

West Bengal National University of Juridical Sciences (Kolkata, India)

AND

University of Wuerzburg, Faculty of Law, Germany

West Bengal National University of Juridical Sciences (Kolkata, India) and **University of Wuerzburg, Faculty of Law, Germany** believing that the process of university education can be enriched and international understanding strengthened, and recognizing the benefits to their respective universities from the establishment of international links and cooperation, agree to develop a formal international exchange relationship between the institutions. The particular agreements shall comply with all policies of both institutions and shall specify the details of the formal relationship.

It is agreed in principle that the relationship between the two institutions shall include, but not be limited to, faculty exchanges, student exchanges, and mutual proposal development. The details of such activities shall be negotiated between the institutions as the final and separate agreement is written for each particular case. Nothing shall preclude informal exchanges prior to completion of the final agreement.

This agreement to engage in discussions is for a period of three (3) years but either party will be entitled to terminate the agreement by way of two (2) months written notice to the other party.

By signing this LETTER of ENGAGEMENT both parties agree to establish a long-term international exchange relationship that will benefit both institutions.

This document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of those institutions involved and to suggest guidelines for cooperation. Nothing, therefore, shall diminish the full autonomy of either institution, nor may any constraints be imposed by either upon the other, and nothing in this Agreement shall be deemed to create a partnership, joint venture, or agency relationship between the parties.
